Azurea introduces a martini-centric month featuring flavorful garnishes and accompaniments to complement the lounge’s high-end spirits.

Cocktail lovers seeking something new can make their own creations at the over-the-top garnish station. While guests who prefer to leave the mixology to the experts can select a tasty treat from the lounge’s martini list featuring locally-inspired originals ranging from *The Ocean* and *First Coast Tini* to *Southern Hospitality* and *The Blue Wave*.

With the hard decisions done, and drinks in hand, guests can sip their concoctions in the stylish lounge, on the breezy patio or by the Verandina’s fire pit.
