**A**ll we want are trends to be magical. Well, your 2010 Spring Trip should be no different. This spring I will share from my usual route to fulfill our wishes, but a subtle change in atmosphere turned to a Wonderland Resort. The term Wonderland refers to an magical, marvelous place perceived to have desirable qualities. Well, One Ocean Resort Hotel and Spa is definitely a wonderland, but it is not imaginary! Experience an exhilarating return to tranquility at One Ocean Resort Hotel and Spa.

One Ocean Resort Hotel and Spa is a place where the logistics of the day never need to enter your thoughts. All details will be taken care of by your personal Discern. Your specially trained Discern will welcome you at your car, escort you to your room and serve as your personal guide throughout your stay, intuitively attending to your every need from unpacking bags, ensuring morning coffee service, calculating taxi times and ensuring restaurant reservations. If you feel the need to venture out and explore, leave the details to them. They provide the insider's edge. All you have to do is show up. Their personal touch really sets this luxury resort apart from any other Florida resort.

Many aspects of One Ocean Resort Hotel and Spa apart from other beachfront properties. The Spa at One Ocean is the only northern Florida ocean view spa. It is here you can receive one of their Signature Seashell Massage. This treatment embraces the ancient art of healing, using elements of Mother Nature to

being used to tone muscles, sore joints, stressed emotions and weary spirits. Smooth, heated, recycled seashells are combined with massage for an exceptional experience. Reserve their VIP suite and enjoy your spa treatment with a gathering of friends. The full-service spa includes a juice bar, heated beachside pool and a modern fitness center. Many classes are on their fitness menu, including tai chi and yoga.

The resort's own culinary gem is the Azura Restaurant, where Executive Chef Ted Peters shines bright. Just this February he joined the ranks of chefs honored with the invitation to cook at the historic James Beard House. Only chefs of the highest caliber are invited to showcase their talents in this legendary setting. The truly sets your culinary experience apart from everyday meals.

Let One Ocean Resort Hotel and Spa keep you away from daily routine. Then yourself in a wonderland escape where waves surf and rolling dunes await, along with stylish design and luxury. Don't forget to also check out their Sea Turtle Kids Club, where kids also receive their own personalized attention. Discover your own Wonderland and you will leave grinning like a Cheshire Cat!
