

## Bite By Bite By Neighborhood Go Somewhere & Eat!

**N**ortheast Florida is a big place, with literally thousands of places to dine. But each neighborhood is its own culinary microcosm, a reflection of the culture, habits and personalities of residents.

Folio Weekly's Bite By Bite by Neighborhood is your guide to discovering the region's many food enclaves. Whether you're looking to eat outside of your comfort zone or just want learn more about a local haunt, our comprehensive restaurant directory has all the details you need to find the meal you want.

Also in this issue, you'll find features on clean fish, an homage to food on a stick and a conversation with Folio Weekly food blogger Ashlee Wetherington.

So load up the kids, fill up the tank and go sink your teeth into something a little different.
