This winter was unkind to us all, so better reason to enjoy the beautiful weather by taking the family for a well-deserved break at the shores of Jacksonville, Florida.

Starting at \$277/N, your family can be treated to an ocean-view room in one of the classiest hotels in the area, the [One Ocean Hotel Resort & Spa](#). While the sea-inspired design of the building alone is enough to awe, the hotel will throw in some extra pampering with their **Summer Fun In The Sun** package. It includes a complimentary resort fee, valet parking and a \$100 spa credit. Other packages include **Summer T-Time** from \$271/N, which includes an ocean-view room, resort fee, valet parking and two rentals of golf at Queen's Harbour Yacht and Country Club.

Within the hotel is the **Azurea Restaurant**, where expert chefs like Ted Peters prepare a savory meal that will wow the parents and introduce some cultural tastes to the young ones. Forgo the mac & cheese and try instead some delectable braised duck glazed with pomegranate sauce or indulge in a succulent sea bass that will tingle the taste buds.

The One Ocean is located a few minutes from the beach, and there is even a shuttle that provides service to and from the hotel. To make the most out of your trip, your family can head a few minutes south to [Adventure Landing](#). This theme park has plenty for both kids and parents to do, including miniature golf, laser tag, and bunting cages and go-karts. Inside, it's a kid's wildest dream filled with arcade games, skee ball, air hockey, and even a small café to grab something to snack on. This year, Adventure Landing is proudly celebrating its 15th anniversary, and to express its elation and gratitude to its patrons, the park will be giving away a prize every day of the year. Game tokens, attraction passes, and birthday parties are just a few of the possible prizes being doled out. Adventure Landing's location in Jacksonville Beach is also home to [Shipwreck Island Waterpark](#), complete with waterslides, a wave pool, and a lazy
