

# THE GALLERY

## CALL FOR ENTRIES

*North Florida's newest luxury hotel, One Ocean Resort Hotel & Spa, will feature the area's best photographers in its exclusive on-site gallery beginning this May. Lifestyle photography is an important element of the One Ocean™ experience, and THE GALLERY at One Ocean™ will provide guests an intimate, artistic experience within the resort.*

*Approximately every four months, THE GALLERY at One Ocean™ will feature a new local artist. One Ocean™ will host a reception in honor of each artist at the beginning of each display period. Artists and their work will be featured on the One Ocean™ web site, in addition to the resort display.*

### **Specifications**

The leadership team at One Ocean Resort Hotel & Spa will select the featured photographers, based on the application process. If chosen, the artist will be required to provide 12 framed photographs for display in THE GALLERY. Framing requirements, including sizes, matting and style recommendations, will be provided to the artist upon selection. All costs associated with framing are the responsibility of the artist.

The featured photographer will provide One Ocean Resort Hotel & Spa an invitation list (including snail mail and email addresses) for the opening party. The artist will also include THE GALLERY at One Ocean™ information on his/her web site, and will have permission to utilize the property's logo, name and images for the duration of the exhibition. The selected photographer grants One Ocean Resort Hotel & Spa permission to use his or her work in promotions, web sites, media coverage, internal and external communications, etc.

The completed artwork will be hung by One Ocean Resort Hotel & Spa. At the conclusion of the exhibition period, the artwork will be returned to the photographer within 21 business days.
