Ms. Harris,

On behalf of the Jacksonville Fraternal Order of Police Lodge 5-30, I am writing to thank you and all of your team at One Ocean Resort & Spa for hosting an amazing conference for our organization. From the early planning stages, to the days leading up to the event and every day of the event the attention to detail by your team made our experience the best ever. We had people in attendance from all over the country and they are still talking about the conference and One Ocean Resort & Spa.

Probably the most important thing was the health of our members. During these trying times of COVID, it was on all of our minds. You and your team went out of your way to make sure all of our meeting rooms were sanitized daily, and all other areas were kept clean. Your team ensured all of our meeting rooms were set up with social distancing as a priority. We all arrived healthy and went home healthy, no one got sick while attending the conference.

Please accept this as a heartfelt thank you! Please share our thanks with your entire team, they were amazing!

Sincerely,

Steve Zona, President
